Subject: An Application for Internship

Respected Sir/Madam,

I am Kamal Chamlagain, currently studying BCA 7 Semester at Damak Multiple campus (Tribhuvan University).

I have developed two major projects in an academic curriculum as well as one organizational portfolio website. These projects are fully practical based and on the way of implementation. One project was developed using Java Language and others were developed using Html, Css, JavaScript and PHP. Currently, I am learning asp.net core framework and I have developed basic crud operation project. I am seeking an opportunity to enhance the professional skills.

I am highly interested in this opportunity, and I believe that my relevant skills will be a good fit for your organization. I will be able to push boundaries by thinking out of the box and explore the endless opportunities this industry presents.

Kindly find my resume attached. I look forward to hearing from you.

Sincerely,

Kamal Chamlagain
